Date 29 February 2016

Specification of Competent Persons to Undertake Electrical Work

Request:

Please respond to the questions listed by entering answers applicable to the departments indicated in each of the columns below.

[NOT PROTECTIVELY MARKED]

<p>If so, which organisation is specified?</p> <ul style="list-style-type: none">- NAPIT- NICEIC- ELECSA- BENCHMARK- OFTEC- BESCA- STROMA- ECA- JIB- RCPE (registered competent person electrical)- OTHER- please specify										
<p>What is the department's official rationale for specifying this Scheme Operator?</p>										

Regulatory Services occasionally issues formal notices which require work to be undertaken that could include electrical installations. This is not common-place and as such the officer involved will undertake research at that time to determine the appropriate wording to ensure the work is undertaken correctly. I have gone through the last three years records and there have been no notices issued that required electrical work.
