Food Hygiene Ratings

Request:

Our organization needs to make a FOIA request regarding the Food Hygiene Ratings. We need to know name of the company that operates any given restaurant. For example, we need to know the name of the franchise company operating a McDonald's location. This information is very important for us, because we want to analyze the Food Hygiene Ratings and learn if the company responsible for a low/high rating of a restaurant is the corporation or a franchisee.

The categories of the data set would be the following:

- Business name (brand of the restaurant)
- Name of the company operating the business
- Address of the restaurant
- Food Hygiene Rating

I don't know if it is easier (for you) to get the data for all the restaurants in Wolverhampton or if it is easier to narrow down the request. Please, provide us with whichever option that makes the request easier. If it is easier to narrow down the request, the fast food brands in which we are interested are the following:

- McDonald's
- KFC
- Greggs
- Burger King
- Subway
- Pret a Manger
- Nando's
- Domino's Pizza
- Pizza Hut
- Papa John's
