Please accept this email as a request for information under the Freedom of Information Act.

Response:

Further to your request, we can confirm that Wolverhampton City Council does not hold the above requested information. This is NOT a Council run scheme, or Council data – we are supporting partners to a third party accreditation scheme.

Consequently, we are unable to provide any information relating to the above, and are informing you as required by Section 1(1) (a) of the Freedom of Information Act 2000 ("The Act"), that states:

"Any person making a request for information to a public authority is entitled to be informed in writing by the public authority whether it holds information of the description specified in the request".

To advise and assist you further, you need to re-direct your enquiry to MLAS. The information is available using the following link:
